## Description of Positive Reinforcement Obedience Classes

### Puppy Preschool: 5 Week Course, \$145, Age: 8 Weeks to 16 Weeks

This five week fun-filled course will help you build a great relationship foundation with your puppy and help you teach your puppy good social skills. It will lay the groundwork for "focus", and help you to set up your home for success. You will learn important guidelines and techniques for potty training, nipping and mouthing, puppy household manners, appropriate play behaviors and toys, as well as some beginning obedience. This group course will also give you the opportunity to socialize your puppy with other puppies during each class and provide lots of photo opportunities for you and your new family member.

### Basic Obedience: 6 Week Course, \$180, Age: 5 Months and Up

Establish a healthy, long-lasting relationship using reward based techniques. In this course you will learn canine-owner responsibilities, basic obedience commands (Focus, Sit, Down, Come or Recall, Wait, Leave-it, Stay, and Loose-leash walking). You will also learn effective dog friendly techniques for dealing with problem behaviors like jumping and counter-surfing.

### Canine Good Citizen: 5 Week Course, \$165, Age: 7 Months and Up

Take your dog through this fun-filled class to learn good manners and earn the AKC Title of Canine Good Citizen. This class teaches sitting politely for petting, loose-leash walking, accepting a friendly stranger, sitting or standing nicely for grooming, walking politely through a crowd, sit and down stay on command, coming when called, behaving politely when encountering another dog, having confidence around distractions and medical equipment, and good behavior during supervised separations.
